Route 26 – Westside New Routing

Starting on Tuesday, January 22, 2013, the Lower Elwha extension reroute will be in effect. The routing change is on the inbound leg of the route. Follow the regular route to the tribal center. After departing the center turn right onto Stratton Rd, Stratton Rd turns into Kacee Way at the curve by the casino, follow Kacee Way to the three-way stop, turn right at Lower Elwha Rd. resume regular route.

Four bus stops have been installed along the route, they are located at:

- Outbound on the Lower Elwha Rd approximately 150 feet south of the final 90 degree turn at the bottom of the hill.
- Inbound on Stratton Rd. at the wood shelter (daycare center).
- Inbound on Stratton Rd. at the apartment complex.
- We are currently working with the casino to install another stop in the area of the casino. As of now, CTS will install a temporary stop on the farside of the driveway leading into the casino. The casino will be constructing a pull out stop with a shelter in the near future.
- Flag stops are permitted along the rest of the route.
